Justice Frank Murphy Dies Of Heart Illness

Death Comes To Jurist, 59, As Surprise

Detroit, July 19—(AP)—Justice Frank Murphy, fighting idealism of the U. S. Supreme Court, died suddenly today in a Detroit hospital.

The 59-year-old champion of the underdog was hospitalized with a heart ailment shortly after the high tribunal wound up its spring session June 27.

His death at 6:45 a. m. (CST), however, came as a complete surprise. His condition had not been considered serious. Only yesterday he had gone for an automobile ride and was in the best of spirits.

He died in his sleep in the dining motor club where, as a young lawyer, he had launched a long career of public service.

Shortly after announcement of his death congress adjourned for the day.

Condolences poured in from people of all walks of life across the nation. At the same time, Washington began buzzing with speculation of a successor.

Robert P. Patterson, former secretary of war, and Senator Joseph C. O'Mahoney (D-Wyo.) were prominently mentioned. Patterson has been listed for months as a possible successor. Speculation also included the names of Attorney General Tom Clark, of Texas, and Sen. J. Howard McGrath of Rhode Island, chairman of the Democratic National committee.

Murphy's death presents a problem in that it removes from the bench the only Roman Catholic justice. If President Truman were to follow custom, he would probably fill the post with a Catholic. That is the faith of both O'Mahoney and McGrath.

The appointment will be Mr. Truman's third to the supreme court. Murphy's move up from attorney general to supreme court justice in January, 1940, was the last in a series of rises to fame. Somehow, during his rise, he was faced with crisis in each new post:

1.—As mayor of Detroit from 1930 to 1933 he governed a city paralyzed by depression. In his first year he spent the unheard-of sum of \$14,000,000 for relief.

2.—As last governor-general and first high commissioner of the Philippines, he guided a once-philippine people through the birth pangs of newly won semi-independence. He served there from 1933 to 1936.

3.—As Democratic governor of Michigan from 1937 to 1939 he had to cope with the bitter General Motors sit-down strike.

4.—As U. S. Attorney General from 1939 to 1940 he set off political dynamite in blasting corruption out of federal courts and local governments.

Decision Characteristic
Murphy's last decision from the bench—the much-disputed 5-4 ruling freeing Union Leader Harold Christoffel—was characteristic of his fight for social justice.

Speaking soft and hitting hard, the devout, Bible-reading jurist never wavered from his fervent belief, which he expressed this way:

"In the scheme of Democracy," as he put it, "the code of Christianity, all men are on a common level of dignity and importance."

President Truman said of him today:

"As a member of our highest judicial tribunal, his opinions were ever tempered with a deep sense of justice and righteousness, and an abiding love for his fellow man."

Murphy rejected the perjury conviction of Christoffel, a Milwaukee CIO United Auto Workers official who denied before a congressional committee that he was a communist. The supreme court ruled that a legal quorum was not present at the time so perjury was not committed. Christoffel was freed from prison.

Factory Profits Drop 18% In 1949

Washington, July 19—(AP)—Profits of manufacturing corporations skidded downward about \$550,000,000 during the first three months of this year compared to 1948's last quarter, a government report estimated tonight. The drop was about 18 per cent.

A survey released by the federal trade and securities and exchange commissions laid the slump to falling sales which more than offset lower operating costs.

Business normally experiences a first quarter sales decline contrasted to high-level holiday buying in closing months of a previous year.

The two-agency survey stated, however, that profits for this year's first quarter were 16 per cent, or more than \$400,000,000, below the corresponding three months in 1948.

Move Troops To Scene Of Violence By Mobs

Groveland, Fla., July 19—(AP)—Nearly 300 fully armed National Guard troops moved in tonight as new outbreaks threatened from a white mob which has terrorized negroes by home burnings and shooting forays.

Armed with carbines and pistols, the troops gave this tiny sawmill town the aspects of a military base. The community has been embattled since Saturday when four young negroes allegedly beat and robbed a white man and raped his 17-year-old bride.

Brig. Gen. Mark Lance, state adjutant general, notified the governor the situation is "in good hands." He added all troops are "completely equipped and armed for any emergency."

The mob, riding in trucks and autos and shooting into the air at random, burned three negro houses in last night's demonstration.

So far, no casualties have been reported among whites or negroes. Along Groveland's one business street things were quiet during the day hours. In nearby fields and groves, a number of negro farm workers were reported absent. Authorities said they apparently were waiting "until all the shooting is over."

Gov. Fuller Warren ordered a minimum of 100 troops here tonight when law enforcement officers expressed the fear a new flareup was in the making.

"It looks like the situation is growing worse instead of better," said a police officer who asked that he remain anonymous.

Three negro suspects in the robbery and rape have confessed, said Sheriff W. V. McCall. They are in an undisclosed jail for safekeeping. A fourth is still being hunted.

Textile Setbacks Cause Work Cuts

TEXAS POLIO CASES PASS THOUSAND MARK

Austin, Tex., July 19—(AP)—The number of polio cases in Texas has passed 1,000.

Dr. George W. Cox, state health officer, reported today that the rate of incidence is about 25 per cent greater than it was for the same period in 1948. The number of cases through last Saturday was 1,034, compared with 811 a year ago.

Key Parts Of State School Aid Plan Is Made Into Law

Chicago, July 1—(AP)—Key parts of Governor Stevenson's far-reaching \$100,319,000 common school aid program became law today.

The two-year appropriation is record high, outstripping the 1947-49 state school allotment by 53 per cent.

The program—called "revolutionary" by some—mean extension of state equalization help to many grade and high schools for the first time. It spells increased grants for others.

However, some well-to-do districts may get less. Districts levying local property taxes for school purposes will have to raise them in order to share.

The Stevenson plan provides strong incentives to small districts to reorganize into larger units.

The governor signed four school bills. Others approved by the legislature haven't reached his desk.

Witness Testifies Tokyo Rose Knew Purpose Of Work

San Francisco, July 19—(AP)—A second government witness testified today that Iva Toguri D'Aquino knew the purpose of her wartime work for radio Tokyo was to lower the morale of American fighting forces. She is on trial, charged with treason.

George Mitsushio, 44, a native of San Francisco who became a wartime official of radio Tokyo, testified to conferences held in November, 1943, and March, 1944, at which the defendant was present. It was explained at these conferences, he said, that the program were to go to American fighting forces and be used as psychological weapons.

Mrs. D'Aquino, now the wife of a Japanese news agency official, is charged with eight overt acts of treason for her "Tokyo Rose" broadcasts. Direct testimony of two persons is required to convict. Yesterday, another wartime official of radio Tokyo, Kenkichi Oki, also testified the defendant attended meetings at which the propaganda programs were discussed and knew the part she was to play.

FIKE DEPARTMENT TO OUR SAVIOUR'S

Firemen were called to Our Saviour's hospital at 6:42 Tuesday evening when an electric motor in the elevator shaft caught fire. The department stood by until electricians rendered the motor harmless.

BICYCLES STOLEN

Two bicycles were stolen Tuesday afternoon from behind the Fox Illinois theatre. James Green, 711 West Douglas, and Eldon Lebkuechur, 1103 North Fayette are the owners of the machines.

Both thefts were reported about 1 p. m.

Bulletin

Seattle, July 19—(AP)—A twin-engine charter plane, reportedly carrying 23 or 25 persons en route to Chicago, crashed and burned in a south Seattle housing project tonight.

The plane was owned by the Air Transport Associates, Inc., a non-scheduled charter airline. There was no immediate report of dead or injured.

Witnesses said one engine of the plane failed as it was taking off from Boeing field. Unable to gain altitude, the aircraft struck a power line and spun to the ground, bursting into flames.

It exploded within three or four minutes, witnesses said.

Four ambulances were sent to the scene, about a mile and a half northwest of Boeing field.

Five units of the Duwamish Bend housing project were reported in flames.

The field and surrounding area were plunged into darkness when the power lines snapped.

Lions Hear Plans For International City For Members

New York, July 1—(AP)—The Lions heard plans today for establishment of a "Lions International City."

International President Eugene S. Briggs of Endicott, Okla., said the project includes building a world headquarters for the service club, with homes for staff members and a hotel for visiting lions and guests.

In addition, the plan calls for establishment of schools and colleges "where may be taught the theory and practice of the principles of good government and good citizenship."

Briggs said some 375 acres already have been purchased and \$442,000 spent on the development, near Matteson, Ill.

Another who spoke was Wayne A. Johnston of Chicago. He told the Lions a healthy economic system depends on confidence.

Texas Says Race For GOP National Head Is Wide Open

Washington, July 19—(AP)—Col. R. B. Creager, Texas national committeeman, said today the race is "wide open" for the chairmanship of the Republican national committee.

A leading peace-maker in the long row over the chairmanship, Col. Creager arrived here shortly after Rep. Hugh Scott of Pennsylvania announced last night that he would resign as chairman Aug. 4 at a full national committee meeting here.

Scott previously had indicated he would not resign "unless and until" a successor were found who could harmonize the party's factions.

But Creager told a reporter today there has been no agreement yet on a chairman. Many names are in the informal discussions going on, including A. T. "Bert" Howard, Nebraska state chairman, and former Senator John A. Danaher of Connecticut, a former \$20,000 a year official of the committee.

Shriners Install Harold Lloyd As Imperial Potentate

Chicago, July 19—(AP)—Harold Lloyd, once the breathless hero of silent movie comedy thrillers, was installed as imperial potentate of the mystic Shrine today.

The ritual which made the 57-year-old comedian chief of 610,000 North American Shriners, was watched by President Truman and a crowd which nearly filled the lake front stadium at Soldier Field.

It was the first time in the Masonic order's 75-year history that the secret ceremonies have been conducted in public.

President Truman, a Shriner, spoke, as president of the United States, on the nation's foreign policy. The Soldier Field program climaxed a 15-hour parade of some 15,000 Shriners which took over Michigan boulevard and the park drive approaches of the huge Grant Park stadium.

Pam Lamphere To Leave Hospital

Chicago, July 19—(AP)—Little Pamela Lamphere will be released tomorrow from county hospital where she underwent three operations to correct a rare malformation.

The child was born with her bladder outside her body two and a half years ago. Her parents became estranged over a disagreement on whether or not to operate.

The mother agreed to surgery after a panel of leading medical men concurred that she could survive such treatment.

Pamela's last operation was performed May 27.

Her mother, Irene, 21, gave birth to a normal child two months ago. The parents now are reconciled.

Truman Sees 'Tensions And Conflicts' Rising In USSR

Senate Subcommittee Scraps Idea Of Trying Brannan Program

Washington, July 19—(AP)—Skeptical lawmakers put a blight on the Brannan Plan today, and it appeared to be in danger of withering on the vine.

A Senate Agriculture subcommittee rejected a bill that would have empowered Secretary of Agriculture Brannan to try out his subsidy program on hogs.

While this setback was not decisive, it appeared to symbolize the strong congressional opposition to the administration plan. One Democratic senator close to the White House confided in reporters:

"There won't be any trial run of the Brannan plan."

The plan would let market prices of perishable crops drop to their natural level. Then the government would pay subsidies to farmers to keep their income up to a certain level. These subsidies would even-

tually be paid by taxpayers.

The plan contrasts with the present system, under which the government supports the market price by buying up surpluses and re-moving them from the market. In doing this, the government prevents a depression in prices which the surplus otherwise would create.

The senators' rejection of the subsidy plan for hogs, coupled with other Capital Hill developments, pointed to a possibility that the fight over future farm legislation may narrow down to a contest between (1) the present high 90 per cent of parity wartime price support system and (2) the so-called Aiken law allowing supports for major products to be set as low as 60 per cent of parity.

(Parity is a price calculated to give a farmer the same purchasing power he had in an earlier favor-

able period.)

In the House, a coalition of Democrats and Republicans rejected a Brannan plan compromise proposal and decided on an all-out fight to extend the present program another year. This coalition dislikes both the Brannan plan and the Aiken law. The latter legislation is scheduled to go into effect next Jan. 1.

Meanwhile, John W. Flannagan, Jr., of Virginia, retired House Democratic farm leader in the last Roosevelt administration, wired Rep. Gore (D-Tenn.) praising him for "the gallant fight you are putting up to keep the American farmer from becoming a charity patient in the government hospital."

Gore, usually an administration supporter but now leading the fight on its farm bill, predicted the House will approve his substitute bill continuing the present farm program.

Russia Blasts Italy's Joining Defense Alliance

MAN GRABS SACK CONTAINING \$1,233

St. Louis, July 19—(AP)—A negro man jumped from a doorway and took a paper sack containing \$1,233 cash from a woman drugstore cashier, police reported today.

Miss Naomi Gallier told police she was walking from the store to a bank with the sack as she did daily.

She said the man grabbed her, shook her, then took the bag and fled down an alley. The money was the store's receipts for the day.

Soviets Claim Italy Is Breaking Treaty Of Peace

London, July 20—(AP)—Russia has accused Italy of breaking her treaty pledge by joining the North Atlantic pact, the Moscow radio said today.

The Soviet Union, in a note to the Italian government, declared the pact is aggressive and aimed at Russia and the peoples' Democracies, the broadcast said.

(Peoples' Democracies is the term applied by the Soviet Union and its Eastern European satellites to communist-dominated nations such as Romania, Hungary, Czechoslovakia, Bulgaria.)

Fledged Against Aggression
The Russian note said that in signing the peace treaty, Italy pledged herself not to do anything directed against the other signatory nations "and consequently not to join any alliances or other grouping pursuing aggressive aims."

"Having joined the North Atlantic pact," the Soviet note said, "Italy has entered a military grouping of states which is of an aggressive nature and directed against the Soviet Union and countries of the peoples' Democracy."

Ratification of the pact now is under discussion in the Italian chamber of deputies where an absolute majority of Christian Democrats is expected to win approval easily.

Expected To Pass
In the Senate, the Christian Democrats—the largest group—are expected to get enough support from Liberals, Republicans and Anti-Communist Socialists to assure ratification.

The Soviet note said Italy's signing of the pact also violated treaty provisions limiting her army, navy and war industry and stipulating that the Italian army be used exclusively for the defense of her frontiers and domestic tasks.

The communication noted the Italian request to Washington on April 6, "for military aid for the purpose of increasing the Italian armed forces and for the expansion of Italy's military production."

The aggressive nature of the North Atlantic pact, the Russian note said, "is expressed in the extensive military measures that are being carried out by its participants for the increase of their armed forces and armaments for the creation of an extensive network of air, land and naval bases for preparation to utilize atom weapons and so forth."

"Normalcy will reign very soon throughout the country," said a government bulletin issued after a night of shooting that followed the assassination of Col. Francisco Javier Arana, chief of the armed services. "The government dominates the situation."

It was the 20th announced plot against the regime of Juan Jose Arvalo since he was elected in December, 1944, to a six-year term as president. A new election is due in March, 1951. The law forbids a president of this little nation which lies in central American south of Mexico, from succeeding himself.

Tells Shriners Democracy Will Triumph

Chicago, July 19—(AP)—President Truman declared today that "tensions and conflicts" appear to be mounting behind the iron curtain. He added that he is optimistic the world may yet be organized for peace without war.

Communist tyranny, he told cheering thousands of Shriners and their guests in mammoth Soldier Field, will ultimately destroy itself or have to "abandon its attempt to force other nations into its pattern."

The President, speaking at a great outdoor celebration of the Diamond Jubilee Session of the Shrine, said the United States will continue its "great crusade for peace."

"70,000 Hear Speech
The Red Fezzes of the nobles and their colorful uniforms proved a vivid setting for Mr. Truman's foreign policy speech. Roger Shanan, chief of the park police, estimated 70,000 persons heard the President's address.

In working toward its goal of peace, the President said, the United States should:

1. Halt the economic recession in this country, and work for a stronger economy.

2. Avoid "foolish course" of slashing foreign aid funds. He said this court would be disastrous because it would produce "stagnation and despair" abroad which could only benefit the communists.

The President said that within its inner circle, the Soviet Orbit "manifests the fatal weaknesses of all dictatorships."

Will Destroy Itself
"Within the circle of its control today, tensions and conflicts appear to be increasing," he continued. "It may have temporary triumphs, but in the long run it must either destroy itself, or abandon its attempt to force other nations into its pattern."

The first applause, after the cheers which greeted his introduction, came when he predicted senate ratification Thursday of the Atlantic pact binding western Democracies and the United States in a defense agreement against aggression.

The President also drew applause when he called for continued support of the United Nations and when he said the United States has "always been a challenge to tyranny of any kind."

And the crowd applauded again when he spoke of the right of all people "to think their own thoughts and to have their own convictions."

He entered the big field in a red convertible with the top down, circling the track while those in the stands cheered. The cheers continued when he paraded through a guard of honor to review Shriners' matted in the center of the field. His first welcome was the playing of "hail to the chief" by massed Shrine bands.

\$5,000 In Jewelry Stolen From Auto Of Susan Peters

Princeton, N. J., July 19—(AP)—Screen actress Susan Peters reported to police today that \$5,000 worth of jewelry and other articles were stolen from her car during an opening night theater party last night.

The actress, confined to a wheelchair since a hunting accident, is appearing in the starring role of Elizabeth Barrett in "The Barretts of Wimpole Street" at the Princeton drama festival's McCarter theatre.

Articles taken from her car included jewelry, clothing, medical supplies and a camera case. Miss Peters said. She told police the car was not locked.

Her brother, Robert Carnahan, told police the jewelry had great sentimental value and included antiques which had been in the family for many years.

The jewelry, including a brooch, lapel watch and a ring, were worn by Miss Peters in the play.

CONGRESS OPENS

Amsterdam, July 19—(AP)—The 13th World Congress of Liberal Christians opened tonight with delegates from The Netherlands, Switzerland, Britain, U. S., France, Iceland, Germany, Italy and Sweden in attendance.

Some Corn 8 Feet Tall In Illinois

Springfield, Ill., July 19—(AP)—Corn towers eight feet in some Illinois fields, the weather bureau reported today.

Plenty of sun and warmth has kept corn growing apace and left the average height of stands from four to six feet, the bureau said in its weekly crop bulletin.

Condition of both corn and soybeans remained good to excellent. Soybeans generally are one to two feet high with some southern fields at three feet. Pods are forming in a few localities in the south.

Combining of oats has finally spread north to the Wisconsin line. The harvest is pretty well over in the southern third of the state.

WEATHER

The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperature for Tuesday as follows: high, 92; low, 70; and at 6 p. m., 85.

Forecast for Illinois—Mostly fair today. High 86 to 88.

**EDUCATORS NEED SUBSTITUTE FOR
'LACK OF PURPOSE' IN LIVING**

Robert M. Hutchins, chancellor of the University of Chicago, has always been an energetic critic of America's failings, as he sees them.

Recently, out in Aspen, Colo., the gentleman was at it again. This time he was attacking, among many things, the "lack of purpose" in American living.

Hutchins complained that we fritter away pointlessly the growing leisure we gain from advances in labor-saving techniques.

He added: "If it is possible to apply atomic energy to peace time purposes we shall have more vacant time. Atomic energy, therefore, confronts mankind with this dreadful choice: If we have war we shall be blown to bits; if we have peace we shall be bored to death."

Part of the blame for this waste of leisure Hutchins attached to the specialists who seem to dominate our age. Too often, he said, these individuals remain "uneducated men" despite their admittedly great contributions to science, medicine and technology.

This is not a new observation but it bears repeating. It means in effect that our scientific scholars and educators generally are so busy piling up isolated mounds of new knowledge that they never find time to lump them together into a well-molded mass.

By ignoring their task they observe the basic unity of all knowledge. Knowledge is simply the story of life on this earth. Like any story, it must be told in cohesive style and human terms to have its greatest impact.

The world offers rich human satisfactions. But the average man can be excused if he fails to see where those rewards lie. On every hand he meets frightening complexities that discourage his effort to understand himself, his place in society, his relation to the stream of history.

To find his niche he needs to fit himself into the larger framework of life. It is the educator's chore not merely to elaborate on that structure but to keep its fundamental unity clear and recognizable. The human who sees that unity has the best chance of a satisfying existence. It gives him a sense of belonging that goes deep.

Without it, he too frequently wanders aimlessly. Finding no real satisfaction in his work, he seeks spectacular diversion in his spare time to compensate for the emptiness he feels. Leisure, instead of being a rich complement to rewarding work, becomes a frenzied escape. And boredom builds upon boredom.

Every inch added to the rising mounds of specialized knowledge heightens our complexities. Educators had better address themselves firmly to their job before it becomes well-nigh hopeless.

**160 Acre Camp To Be
Opened By Lutherans**

Central Illinois Lutherans will dedicate a 160 acre tract of land for a Lutheran Camp on Sunday afternoon, July 31, at 4 p. m. Central Daylight savings time in a special dedicatory service to be held on the camp grounds 12 miles northwest of Springfield with the Rev. Clarence Peters of St. Louis Mo., chairman of the Board for Young People's Work of the Lutheran church—Missouri Synod, as the guest speaker.

The tract of rugged timber land lying along a bend of historic Sangamon river was originally purchased by Central Illinois District Lutheran League over a year ago and is now the property of the Central Illinois Lutheran Camp Association, a corporation representing the District Lutheran League, District Lutheran Laymen's League and District Synod.

Initial improvements have been made this summer by the building of good camp roads, the construction of an earth dam to form a small lake, and the installation of such services as electricity, running water, sanitation system, showers. Only permanent building to be constructed this year is the kitchen, alongside of which will be slab floor to be used for chapel-dining purposes and to be roofed with a huge tent. A baseball diamond, volleyball court and tennis courts are already prepared on the generous athletic fields. The well equipped camp will be exceptionally well equipped with small cabins and generous public buildings, and should ultimately attain a value of \$50,000 to \$75,000.

Rev. Tonn to Officiate
The dedication service of July 31 will be read by the Rev. E. F. Tonn of Pleasant Plains, president of the Central Illinois District Lutheran Church—Mission Synod, and Dr. Paul Schulz of Springfield will be the liturgist. The Boy Scout troop of St. John's Lutheran church, Pekin, will raise the flag upon the pole given by St. John's congregation, and trumpeters of Trinity Lutheran church in Bloomington will lead the congregational singing. Plans are being made to accommodate 2,000 persons for the dedication. Parking space is ready for hundreds of cars on the enormous athletic field. The camp site is reached by turning west off State Route 29 at the Andrew Junction eight miles north of Springfield or two miles south of Carrollton and following the "Lutheran Camp" signs four miles westward.

To Build Larger Lake
The camp site will be further improved in future years by the construction of a much larger dam which will provide a lake of 8 acres surface, but still leaving the present temporary lake of 2 acres intact. The proposed extension westward of the Lincoln Memorial Highway will bisect the camp grounds and also add to its value and attractiveness. The Camp Association is headed by President Arthur Woeffle of Pekin, who has long been active in camp work in Illinois. Walter League circles, with Miss Alice Greive of Edinburgh secretary. Also member of the board of directors is Otto Krueger of Springfield of the Jones and Krueger Construction Co., whose intense personal interest in the camp project assures the proper future developments of a well-engineered camp lay-out.

The Walter League will conduct one week of camping activities this year from July 31 to August 7. Campers will be housed in large roomy tents and will enjoy the usual full schedule of camping activities.

White Hall Girl Weds Berdan Man
White Hall—Miss Elmer Morris, daughter of Finis Morris, became the bride of Merl Phillips, son of Mr. and Mrs. E. P. Phillips of Berdan, in a single ring ceremony Sunday morning at the Baptist parsonage with Rev. Ben A. Bohn officiating. Only immediate members of both families and a few personal friends attended the ceremony.

The bride was attired in a street length beige dress, with white accessories and carried white carnations. She was attended by Rosemary Phillips, a cousin of the bridegroom. Miss Phillips was attired in a gray and white striped dress, with white accessories and carried pink carnations. The best man was Ray Camerer. The couple left on a short wedding trip to the Ozarks. They will temporarily reside with his parents.

Mr. Phillips, a clerk in the Kroger store at Carrollton, was graduated from the Carrollton High school, serving three years in the Navy in World War II. His bride was graduated from the White Hall High school, class of 1949.

Births
Mr. and Mrs. Keith Funk, 999 East College avenue, are parents of a son born at Passavant hospital at 6:45 p. m. Monday. The infant weighed five pounds 15 ounces.

A daughter weighing nine pounds two ounces was born to Mr. and Mrs. Charles Ater of Arenzville at 9:27 p. m. Monday at Passavant hospital.

Mr. and Mrs. Charles Downs of White Hall are parents of a son born at Our Saviour's hospital Monday at 9:50 a. m. The weight was six pounds 10 ounces.

**Carrollton Girl
Struck By Car;
Seriously Hurt**

Carrollton—Patricia Ann Houseman, four-year-old daughter of Mr. and Mrs. Bunny Houseman of Carrollton, was struck by a car about 2 o'clock Monday afternoon in front of her home.

She is now at the Boyd Memorial hospital in Carrollton, suffering from a skull fracture, a broken leg and possible other injuries. Her condition was described as serious late Tuesday night.

The child was struck by a car driven by Louis Ostermann as she darted across a gravel road in front of a tenant house on the Robert Black farm, west of Carrollton, where she lives with her parents.

A relative, Clyde Carter, was working on his car in front of the Houseman home when the accident happened. He said that the driver applied his brakes when he saw the child and skidded about 34 feet before hitting her.

Ostermann stopped and brought the child to the hospital.

**White Hall Couple
Observe Silver
Wedding Date**

White Hall—Mr. and Mrs. Elmer C. Meyer of this city observed their 25th wedding anniversary on July 15. Mrs. Meyer is the former Mae Hutchins, a daughter of the late Mr. and Mrs. E. L. Hutchins, and Mr. Meyer is a son of Mr. and Mrs. Peter Meyer of Hillview, who celebrated their golden wedding on July 5.

Mr. and Mrs. Meyer were married in Scott county by Rev. Albert Monroe of this city on July 15, 1924. The ceremony was the first Rev. Monroe performed.

The Meyer's entire married life has been spent in Hillview and White Hall. They are the parents of two daughters, Mrs. A. B. James of Kalamazoo, Michigan, and Mrs. Harold Johnson of this city. They have one granddaughter, Shirley Clark, who makes her home with them. Mr. Meyer has been employed with the Rockford Life Insurance company off the past seven years and has been a member of their Hundred Thousand club each year.

A family dinner was held at the Meyer home on Sunday, after which the group visited Mr. Meyer's mother in Hillview, who is in poor health.

Boyle's Column

Voices From The Past

By HAL BOYLE

New York.—(P)—Sweet singers of the golden age of song are enjoying a fresh wave of popularity in the jukebox generation.

"The favorites are Enrico Caruso, John McCormack, and Alma Gluck," said Wally Butterworth, a radio disc jockey. "They rank in that order—just as they did in their own lifetimes."

Butterworth, 46, differs from the ordinary disc jockey in that he plays classical or semi-classical vocal records instead of the current groaners.

"Collecting old records is a tremendous hobby today," he said "and some of them bring fabulous prices—up to \$100 or more."

"Probably the rarest records in the world are seven made in Italy by Caruso in 1902 for the zophonophone company. I've seen collectors pay \$180 apiece for copies, and I know of only one man who has all seven."

Has A Large Library
Butterworth, who entered radio in 1929 as an announcer, has a library of 5,000 records, one of the largest in the country. Currently he is engaged in a nation-wide search for lost or unpublished recordings by great singers of the past.

When he started his radio program here more than two years ago over a local NBC station, he expected it would hold only a nostalgic appeal for old-timers.

"But I was amazed at the way younger people reacted," he said, "many of them had never heard voices of that quality."

Butterworth places the golden age of songs between 1875 and 1921, the year Caruso died.

"Few people realize the singers of that time were every bit as popular as Bing Crosby is today," he said.

"Caruso made at least \$3,500,000 out of records alone, and in the year after his death his estate earned \$600,000 in royalties."

2,000,000 Bought It
"More than 2,000,000 people bought John McCormack's recording of 'I hear you calling me,' made in 1912—and no one has ever sung it so well since. Alma Gluck's 1914 recording of 'Carry Me Back to Old Virginia,'

Visit St. Louis
For a Delightful MOONLIGHT RIVER CRUISE
It's a vacation treat you'll never forget... gliding down Old Man River on the Steamer Admiral... dancing in cool comfort to the music of a big-time band... sharing the gay carnival spirit of a fun-loving throng. In St. Louis... and nowhere else... the romance of old steamboat days is combined with the modern luxury of America's only all-steel, air-conditioned excursion steamer. Yet the Admiral... with its daily scenic trips and moonlight excursions... is only one of the many attractions in this "City of a Thousand Sights." You'll want to attend the renowned Municipal Opera and the famous Zoo... take in a big-league baseball game... shop in the city's many modern stores... dine and dance in gay hotel salons... visit the many historic sites.
But—a word of caution! Make your hotel reservation in advance, for St. Louis is crowded with pleasure-loving visitors all summer long.

THE DOCTOR SAYS Many Substances May Be Causee Of Exzema

By Edwin P. Jordan, M. D.
Written for NEA Service

Eczema, or as it is now known, dermatitis venenata, is a term used to describe almost any weeping or crusting lesion of the skin caused by something with which the skin has come in contact. It may appear as a simple redness of the skin, or blisters. Even small pus pockets may form.

Almost anything can cause eczema, and the list includes such commonly used substances as tincture of iodine, certain hair dyes and face powders. Plants are common sources of eczema. One of the most typical examples is common poison ivy. Cases of eczema have been traced to match boxes, to the ink of the comic strips, and to almost every substance used in industry or in the home.

The trouble is usually confined at first to that area of the skin which has come in contact with the irritating substance. Later it may spread somewhat, though it is usually worse on the hands, face or legs. The skin is likely to burn and itch. This can be so severe as to cause other changes of the skin as a result of scratching.

Shun Offending Substance

The treatment is aimed at identifying the offending substance and then avoiding it. The use of preparations on the skin which might make the condition worse also must be avoided.

Sometimes finding the cause of eczema is extremely difficult. There are many soothing preparations which can be applied to the skin to help relieve the itching and aid recovery.

Skin specialists, however, are particularly concerned about the use on the skin of things like tincture of iodine which may keep the eczema active and make it even more difficult to restore the skin to normal. There are many ointments or lotions commonly used on the skin which are especially irritating to someone affected by eczema. Eczema can be made worse by trying to cure it with such substances.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS

By Edwin P. Jordan, M. D.

QUESTION: What causes the toes to become numb when walking?

ANSWER: There are several possibilities of which poor circulation, tight shoes, and weakened arches are perhaps the most likely.

Moving Toward New Hospital Site

First earth was excavated in connection with the building of the new \$2,100,000 Passavant Memorial hospital when the Caldwell Engineering Co. began laying a sewer line to the site Monday. Employees of the engineering company are shown in action at Webster avenue and Walnut street, from which point the sewer will extend westward along Route 104 to the new hospital grounds, a distance of about half a mile. Water connections also will be made during the preliminary stages of construction.

Wabash Would End Passenger Service

Passenger service on the Wabash, Jacksonville at 7:48 a. m. Train No. 2, eastbound, leaves Jacksonville at 5:56 p. m.

Besides Jacksonville, the towns along the route that would be affected by a discontinuance of service are Barry, Griggsville, Pittsfield, Bluffs, Chapin, Alexander, New Berlin, Springfield and Decatur.

No change in freight train schedules is planned by the Wabash.

A section of the route was removed several years ago which gave passenger service from Hannibal to Moberly, Mo.

Before the laying of the paved road system, the Wabash was one of the principal means of passenger

transportation to and from Jacksonville. The schedule has been reduced several times in the past 25 years.

One Accident Victim Critical; Others Improve

Only one of the four men injured in accidents Monday was reported to be in critical condition Tuesday night. He is Russell Akin of Pittsfield, who suffered a head injury in an automobile collision which occurred shortly after 10 o'clock Monday morning on U. S. Highway 36, a mile and a half east of Arnold.
Akin was riding with Don Irving, well-known Chambersburg man. The Irving car, a 1949 Ford, and a Studebaker driven by Willis J. Martin of Champaign met head-on.
All three men sustained injuries. Akin and Irving are at Our Saviour's hospital. Irving is reported to be recovering satisfactorily. Martin is still under treatment at Passavant hospital.
The fourth accident victim, Don McNamara, who was severely burned when he came in contact with a high tension wire and fell from a 30 foot pole, is also said to be doing satisfactorily. He is at Our Saviour's hospital.

Donald D. Berry Pleads Innocent To Robbery Charge

Carrollton.—Donald Dean Berry entered a plea of innocent to a charge of armed robbery when he was arraigned Tuesday morning in Greene county circuit court before Judge Clem Smith.
The offense of which Berry is accused is purported to have taken place on the night of May 22, when Berry hitchhiked a ride from Floyd Berry of Chillicothe, Mo.
Huey claims that Berry struck him on the head and left him tied up with his necktie, after taking from him some money and a wrist watch. Huey reported to authorities the following day and Berry was apprehended shortly after.
The trial is set for Friday morning.

1949 United States Ryder Cup Squad Is Selected

Pittsburgh, Pa., July 19.—(P)—Five members of the 1947 Ryder Cup golf team which walloped the British professionals by a 11-1 count at Portland, Ore., and five newcomers will make up the 1949 United States Ryder Cup squad.

Led by slugging Sammy Sneed, winner of the Dapper Dan open yesterday and of the rather more important masters and national P.G.A. titles earlier this year, the veterans will include Lloyd Mangrum, Ben Hogan, Jimmy Demaret and Dutch Harrison.

Sneed Played In 1937
Of these, Sneed is the only one who has appeared more than once in the international competition. He helped trim the British press in 1937 and won both in singles and foursomes ten years later when the international competition was resumed after the war.

Newcomers to these tussles are three North Carolinians, Johnny Palmer, of Badin, Skip Alexander, of Lexington, and Clayton Heafner, of Charlotte, and Chick Harbert, of Detroit and Bob Hamilton, of Lancaster, Md.

The captain will be named later by vote of the team, but the chances are Hogan will get the honor. He captained the 1947 squad and he was leading the Ryder Cup point race last winter when he was injured in an automobile accident. He already has notified professional golfers association officials that he will make the trip next September although he will not be able to play.

Will Sail Sept. 3
The team is scheduled to sail from New York Sept. 3. The cup matches will be held at Ganton, Yorkshire, about 60 miles from London, Sept. 16-17.

The tenth place on the squad was the only doubtful one going into the Dapper Dan tourney. Hamilton, national P.G.A. champion in 1944, earned that by finishing in a six-way tie for fourth place.

The current open champion, Cary Middlecoff, wasn't eligible for the team because he hasn't been a professional for the required five years.

'Sooner' Cowboys Ride Jacksonville Softball Trail With Dealer Nine

One of softball's most colorful attractions, the Oklahoma Cowboys of Enid, Oklahoma, will be at the Jacksonville ball park this evening where they'll clash with the Jacksonville Implement Dealer nine at 8:45 p. m.

Featuring a streamlined "Wild West" show, the cowboys, attired in western regalia, will stage several acts which have made the barnstorming Oklahoma one of the best drawing cards in national softball competition.

Accompanying the Cowboys for his ninth tour is "Red" Rikli who not only is an ace hurler for the outfit, but also pantomimes the famous "Casey at the Bat." Paul Snyder, the Carl Hubbell of Oklahoma softball, is another member of the slab force.

The softball club is composed of Oklahoma A & M and Phillips University athletes and ex-college stars. The pre-game performance put on by the Cowboys includes a blindfolded pistol-shooting act, a pantomime of Casey at the Bat, and a hilarious comedy team of "Brawley and the Bogart" who do some western antics.

The present tour will take the Cowboys into seven states, including Canada, and climaxing their trip with other games in New York City.

2 Chicago Yachts Keep Their Titles In Sailing Race

Mackinac Island, Mich., July 19.—(P)—Two sleek Chicago yachts retained their championships today in the 1949 Chicago-to-Mackinac Island sailing race.

A fleet of 58 boats participated in the 331-mile race on Lake Michigan. Cara Mia, owned by L. L. Karas, made the best time in the universal (racing) division to add a fourth victory to previous titles won in 1945, 1947 and last year.

Cara Mia's corrected time was 47 hours, 28 minutes and 49 seconds, less than ten minutes better than the 47 hours, 37 minutes and six seconds time recorded by runnerup Gale.

The second-place craft is the property of Harry Nye of Chicago. In the cruising division, Edgar Tolman's Talhona repeated her 1948 victory, covering the course in a corrected time of 51 hours, 44 minutes and 44 seconds.

Chicago, July 19.—(P)—Grains were steady to firm in fairly active trading at today's Board of Trade session. Corn led other futures upward through most of the session, with oats carrying a strong undertone.

Wheat had some difficulty in following the feed grains, but some mill buying and short covering offset hedging pressure.

Receipts were: wheat 308 cars, corn 32, oats 127, rye 10, barley 33, soybeans 13.

At the close profit cashing had reduced beef prices, and wheat was 12 to 15 higher than the previous close. July \$1.99-98. Corn was 13 to 15 higher, July \$1.42-41. Oats were unchanged to 24 higher, July 63-64. Soybeans were 14 to 15 lower, July \$1.54-53. Rye was 14 to 2 cents higher, July \$2.59-1. Lard was 15 to 25 cents a hundred higher, July \$11.17.

Phillies Edge Chicago Cubs 1-0
Philadelphia, July 19.—(P)—Ken Heintzelman won his second straight shutout and his 8th victory in a row as the Philadelphia Phillies blanked the Chicago Cubs 1-0 tonight. Andy Seminick's single sent Willie Jones home from second in the eighth with the only run.

Heintzelman ran his string of successive no-hit games to 28 as he chalked up his 12th victory of this season against three defeats.

Two were out and Jones was in 1 in 1. Winner—Seminick (11-4). Loser—Lanier (0-2). U—Jorda, Reardon, Goetz. Time—1:59. Attendance—24,750.

4-H GIRLS PRESENT PROGRAM FOR CHAPIN HOME BUREAU UNIT
Doris Jean Joy, Lois Ann Joy and Jeannette Joy, members of the Chapin Top Notchers 4-H club, presented the program at the meeting of the Harmony Home Bureau unit, held at the home of Mrs. Harold Joy.

The program included pledge to the flag and talk on "The Seven Basic Foods" by Doris Jean Joy; a reading, "Kentucky Philosophy," by Lois Ann Joy; and a talk, "Before You Cut Out Your Garment," by Jeannette Joy.

Fifteen members were present at the meeting, responding to roll call with "What I Think Is Valuable About 4-H." Mrs. Marie Delaney gave the major lesson "Planning Summer Meals." A contest was conducted, with the prize going to Mrs. Virgil Wegehoff.

A family picnic will be held in August at the 4-H camp site at Lake Jacksonville.

Vice President Of CIO Succumbs

Pittsburgh, July 19.—(P)—Van A. Bittner, veteran labor leader and vice president of the CIO, died tonight in Mercy hospital. He entered the hospital July 7 for treatment of a heart ailment. He was 64.

Bittner was taken ill in Atlanta, Ga., several months ago while directing a southern organizing campaign. After a rest in Florida, he spent some time in a hospital in New York City and then was brought to his home in suburban Crafton.

Graziano Scores 36th Knockout In 64 Fights

West Springfield, Mass., July 19.—(P)—Rocky Graziano's 36th victory today appeared to be one of the most costly in his seven-year boxing career.

The former middleweight champion registered his 36th knockout in 64 starts by stopping Joe Agnosta, another New Yorker, in the second round of their scheduled 10-round feature bout last night before a 4,500 crowd here in the Century Stadium.

But while so doing, Graziano suffered a deep gash over his left eye that, his manager said, would sideline him "from three to four weeks."

Graziano suffered the wound early in the first session from what appeared to be an unintentional butt. While bleeding profusely, Graziano managed to drop Agnosta twice for nine counts before putting him out for the full count at 2:19 in the second round.

Agnosta's three falls came after Graziano battered his head with heavy lefts and rights. Both battlers weighed 159 1/2 pounds.

Williams Is 10-6 Choice To Defeat Bolanos Thursday

Los Angeles, July 19.—(P)—Champion Ike Williams and challenger Enrique Bolanos wind up their training today for their lightweight title bout Thursday night at Wrigley Field.

Both camps are highly optimistic. Williams says he'll win by a knockout, just as he did three years ago when he first met Bolanos. Bolanos is certain he'll be able to outbox his rival. A year ago he came close, losing by a split second.

Current odds favor the champion 10-6.

Brooklyn Whips Pirates 4 To 3

Brooklyn, July 19.—(P)—The Brooklyn Dodgers cooled off the hot Pittsburgh Pirates 4-3, today with Bruce Edwards' bases loaded ninth inning single breaking up the game.

Pittsburgh began the game boasting four straight triumphs and 14 victories in their last 18 starts. Ery Palica who relieved Don Newcombe retired the Pirates in order in the eighth and ninth and gained his sixth victory when the Dodgers came through in the bottom of the ninth.

Hugh Casey relieved Rip Sewell with none out in the ninth and Edwards slammed Casey's first pitch through short to break up the game. The loss was Sewell's first against five victories. Sewell had a skein of 13 straight victories over a two year span.

Boston Defeats White Sox 6 To 4

Chicago, July 19.—(P)—Vern Stephens' two-run single highlighted Boston's three-run ninth inning burst as the Red Sox defeated the Chicago White Sox 6-4, before 22,998 persons here tonight. Ellis Kinder allowed eight hits in outpitching Marino Pieretti to gain his tenth victory. Umpire Eddie Rommel chased both shortstop Luke Appling and catcher Joe Tipton of the White Sox in late inning arguments.

Indians Beat Yanks As Crucial Series Opens

Cleveland, July 19.—(P)—Battery mates Bob Lemon and Jim Hegan teamed up today to give the second place Cleveland Indians a 5-4 triumph over the American League's front-running New York Yankees. The victory sliced the Yanks' lead to three and one half games.

Hegan broke up the game by leading off the ninth inning with his fifth home run of the season. The blow, off rookie right-hander Duane Pillette, snapped a 4-4 tie. Hegan also had a hand in the manufacture of two other runs.

The Tribe catcher doubled and scored the first run of the game in the third inning. He came around on singles by Dale Mitchell and Ray Berra.

Yogi Berra gave the Yanks a 3-1 lead in the fourth inning when he clouted his 11th homer of the season with Phil Rizzuto and Tommy Henrich on base.

The advantage was short lived as Hegan singled in the fifth and scored when Lemon followed with his fourth homer of the year.

New York forged ahead, 4-3, in the eighth with the aid of an error by Mickey Vernon. Rizzuto started the rally with a single. Lemon got the next two hits and then intentionally walked Berra.

Vernon fumbled Bobby Brown's grounder and then threw wild past first for an error. Rizzuto raced home from second on the play.

The Indians promptly tied the score again in their half of the eighth against Pillette who entered the game after starter Alie Reynolds was lifted for a pinch-hitter in the seventh.

Doby greeted Pillette recalled yesterday from Newark of the International League, with a triple. Joe Gordon bounced out but Lou Boudreau lined a double over right-fielder Cliff Mapes' head to deliver Doby.

Lemon ran into trouble in the ninth as Starnweiss and Keller singled to start the inning. The big right-hander bore down and got Pillette to hunt foul on a third strike for the first out. Rizzuto sacrificed but Henrich popped to Gordon to end the threat.

Hegan sent the crowd of 32,800, including 24,504 paid, home happy by lining a Pillette pitch over the left field wall to open the Cleveland ninth.

The victory was Lemon's 11th of the season against four setbacks. Three of his triumphs have been at the Yanks' expense.

Henrich was back at first and Brown at third for the Yanks for the first time since July 1 and June 23 respectively. Both had been sidelined because of injuries.

Giants Slaughter Cincinnati 13-3

New York, July 19.—(P)—The New York Giants banged out 20 hits and scored in every inning tonight to rout the Cincinnati Reds, 13-3. Hank Thompson, Willard Marshall and Johnny Mize featured the bombardment of Howie Fox and Harry Gumbert with home runs. Larry Jansen coasted to his tenth triumph. Lockman and Marshall each made four hits. Thompson, Mize and Marshall pounded out their second, 16th and 20th home runs respectively.

Each Giant starter with the exception of Jansen made at least one hit, drove in a run and scored a tally.

Deputy Irlam At Fingerprint School

Deputy Sheriff John Irlam has gone to Macon, Mo., to attend a school of fingerprinting for law enforcement officers, at which F.B.I. agents are instructors. The school opens Monday and will close Friday of this week.

Deputy Irlam is the only Illinois officer at the school, which draws most of its enrollment from Missouri counties.

He is the third member of the Morgan county sheriff's staff who have attended fingerprint schools. Sheriff Bourn and Deputy Jack Andrews have previously taken courses under F.B.I. supervision.

William Coverly, Retired Grocer, Dies At Hospital

William M. Coverly, well known retired grocer, passed away at 10:30 a.m. Tuesday at Our Saviour's hospital, following three months' illness. Mr. Coverly was the son of William and Sarah Jane Lightfoot Coverly and was born in York, England, on Aug. 11, 1862. He was united in marriage with Dora Scott on June 26, 1889. She preceded him in death.

William M. Coverly

Surviving are two daughters, Mrs. Leah Mullenix and Mrs. Hazel Butlerfield, both of this city, and one son, Dr. W. E. Coverly of New York City.

Mr. Coverly was one of 13 children. Surviving are two sisters, Mrs. James Patterson of Paola, Kas., and Mrs. George Watham of Kansas City, Mo., and a brother, Charles, of Kansas City.

There are also eight grandchildren and nine great-grandchildren.

Mr. Coverly was a member of Central Christian church. The family home for a number of years was on Mound road. For the past year and a half Mr. Coverly resided with his daughter, Mrs. Mullenix, 331 South Prairie street.

The body is at Williamson Funeral Home where services will be held Friday at 2 p. m., with Rev. Leslie P. Heuston officiating. Burial will be in Diamond Grove cemetery.

The family will receive friends at the funeral home Thursday from 7:30 to 9 p. m.

Miss Audrey Tibbs Becomes Bride Of Charles O. Holmes

In a double-ring ceremony performed by Rev. William J. Boston at his home Saturday afternoon, Miss Audrey Elizabeth Tibbs, daughter of Mr. and Mrs. Charles Tibbs, Rural Route three, became the bride of Charles Oliver Holmes, son of Mr. and Mrs. George Holmes, Rural Route three, Jacksonville.

Attending the couple were Mr. and Mrs. Thomas M. Holmes, brother and sister-in-law of the bridegroom.

A two-piece dress of powder blue was worn by the bride. Her accessories were white and her corsage of red roses. The matron of honor wore a gray suit, with black accessories and a corsage of white carnations.

Mr. and Mrs. Holmes are now residing on a farm near Ashland. He is employed at Allis Chalmers in Springfield.

MORGAN SEED CORN FOR IOWA FARMERS

By the Journal Courier farm editor:

If you happen to visit your Aunt Lucy and your cousins in Iowa next summer and they begin bragging about the tall corn, just tell them, "Sure that's wonderful corn. It ought to be the seed was raised in Morgan county."

And maybe you'll be right, for a good share of the hybrid seed corn now in production in Morgan county is being raised under contract with Iowa seed merchants.

Detasseling operations for this year's seed crop are well along; the main job has been completed, but the workers must go through the

field two or three more times to catch the belated plumes.

Detasseling on the Charles C. Robinson farm of the Sinclair neighborhood was an easier job this year. New self-propelled high-rigged vehicles, each carrying a driver and six boys, crawls down the rows at a speed of about a mile an hour, slow enough to permit each boy to pull the tassels from a single row.

The photo shows one of the machines in operation as it moves through a sea of dark-green, luxuriant foliage. Melvin Schone of Ar-

enzville, seated center, is the driver; the plume pullers are, left to right, Pat O'Donnell, Donald Doyle, Bob Land, Darrell Little, Johnny Blair and Dan Lashmet, all of Winchester.

The seed from the field will bear the label, Maygold 59A. It will have a pretty high-toned pedigree, a double cross or combination of four proven inbreds. The mother plant, bereft of plume, has an ancestry composed of WF9 and 38-11. The pollinator is a son of Hy and 07.

Mr. Robinson is one of the associated growers of the Burrus Seed company of Arenzville.

Thomas R. Elsome Of This City Dies Tuesday Afternoon

Thomas R. Elsome, 732 Bedwell street, passed away suddenly at 2:15 Tuesday afternoon while visiting friends.

Born May 9, 1873, near Sinclair, Mr. Elsome was the son of George and Anna Hopper Elsome. A retired farmer, he was a member of the Methodist church.

He was married March 20, 1898, to Sarah G. Dameron, who died Nov. 16, 1932. To this union were born four sons: Dee of Vincennes, Ind.; Charles Richard of Westboro, Wis.; William Russell of North Hollywood, Calif.; and Donald of this city. One child died in infancy.

In 1934 he married Mrs. Iva Baughm, who survives together with one sister, Mrs. Emma J. Kastrop of Jacksonville, and a step-daughter, Mrs. Mildred Davis.

The body was taken to Gillham Funeral Home. Arrangements are incomplete.

Recommends Further Probe Into Death Of Marvin Bruening, 20

A coroner's jury found at the conclusion of a four hour inquest last night that Marvin Bruening, 20 year old farm youth residing northwest of Chapin, came to his death from arsenical poisoning by a person or persons unknown, and recommended further investigation of the case.

The strange illness of the dead boy, who lay violently ill in the hospital for several weeks, and illness of three other members of the family was related in voluminous testimony.

At times when asked if they had any idea as to who secreted the poison, supposedly in food, the answers bordered on accusations.

"It was a trap set to kill all four of us at once," Mrs. Leah Bruening, mother of the victim, declared during her turn on the witness stand, after being asked if she believed a deliberate attempt had been made against their lives.

No arrests have been made in the mystery. No charges have been preferred, as the case is still in an investigation stage.

Troubles which have torn the Bruening family asunder for the past year or two were aired in testimony. Members of the jury, composed of Jacksonville business men, asked hundreds of personal questions concerning movements of the family on Sunday and Monday, May 22 and 23, and the relationship of members of the family. Details of a partition suit involving the family, a peace action, and a divorce suit pending between John and Leah Bruening, parents of the poison victim, were brought to light and placed in the record of the inquest.

Relatives On Stand
Both parents testified at length, as did Bernard Bruening, brother of the victim; his wife, Marie Bruening, and sister, Mrs. Melba Stewart.

Statements by Mr. Ellsworth Black and Dr. Garm Norbury were to the effect that young Bruening died from effects of arsenic. FBI laboratory analysis of vital organs also bore out their diagnosis.

The verdict finding that the youth was poisoned and recommending further investigation by a law enforcement officers was read at 11:15 p.m. by Coroner C. H. Muehlhausen after the jury deliberated 10 minutes. Testimony opened at 7 o'clock in the circuit court room, which was filled almost to capacity, continuing four hours.

J. C. Colton, an insurance dealer, was foreman of the jury, other members being Howard Reynolds, Everett Belote, Ira Patterson, Frank Epler, and Milton Edge.

Bernard Bruening, older brother of the deceased, appeared as the first witness. He said he and his wife went to Quincy on the evening of May 21, and that his mother and Marvin were absent from home most of Sunday, May 22. None of the family consumed any food after returning to the family home northwest of Chapin on the night of May 22.

He said the last time he used the solution was a year ago in March, but when questioned further by jurors, said he was not positive if any of it remained in the basement.

Bruening testified he was first informed that his relatives were ill about June 1, continuing that he had no idea how Marvin could have gotten the poison.

He said his wife obtained an injunction last November to restrain him from molesting her. Answering one of the scores of questions put to him, the witness said he bought arsenic for hedge stump killing at a Jacksonville drug store.

Did Not Carry Key
Bruening said the reason he went to the homeplace May 22 was that his sister and brother-in-law bought the farm at a partition sale, and went there to inspect the property. He said he had not carried a key to the house since March.

Bruening testified under questioning that he once struck his wife when, he charged, she called him a foul name. He also testified that Marvin once knocked him down in the yard.

The witness was asked if he believed the poisoning of his son was an accident. "Well, it could be," he replied.

Jurors were curious concerning a transaction in which Bruening deeded 120 acres of land near the home farm to his daughter. He explained that the reason was because the boys had threatened him, and wanted him to turn the farm over to them and his mother.

Bruening said he and his wife were married 27 years ago. He told of a peace action against his sons, for whom their mother went their bond. The peace bond expired around May 6 of this year, according to calculations of the jurors.

Mrs. Melba Stewart of near this city, daughter of Mr. and Mrs. John Bruening, testified that she had no idea as to how her brother was poisoned. "It must have been an accident of some kind," she told the jury.

Interrogated about the farm transaction, she expressed opinion that her father deeded the property to her because "the boys beat him up." Mrs. Stewart gave further testimony as to friction among the relatives.

State's Attorney Albert W. Hall and Assistant State's Attorney William T. Wilson were present at the inquest, but did not question witnesses.

IN MEMORIAM
In loving memory of Clara B. Little who passed away July 17, 1948. In our hearts your memory lingers. Always tender, fond and true. There's not a day I don't think of you. We do not miss you. Sadly missed by husband, children and grandchildren.

TRAVEL AT YOUR OWN RISK

A General Sherman tank might have trouble navigating South Mauvaisterre street in its present state. With the loop pavement project in full swing, such sights are going to become routine to Jacksonville shoppers this summer. The famed wooden bricks, which buckle every summer under the midwestern sun, will soon find their place in the annals of the county, along with the brick factory and the car shops.

One of the largest construction contracts ever let in Jacksonville, the work is being done by the Sangamo Construction company of Springfield, low bidder for the job.
